LOGO

This is the principal visual form for the Vxtra Health logo. Consistent use of the logo on all digital and digital collateral is vital for brand recognition and awareness.

vxtrahealth

LOGO VARIATIONS

The full color logo should be used whenever possible.

When limited colors are available, choose the single color option.

The white logo should be used on any colored background.

The black logo should be used only when colors are unavailable.

PRIMARY COLOR PALETTE

Tints can be used for variation. Each brand color has a 75%, 50%, 25% and 5% option.

Body Copy for 4 Color printed pieces should use 70% Black, instead of VXTRA GRAY.

TYPOGRAPHY

The main branding font to be used is Poppins. All weights are appropriate for use. Poppins Bold is preferred for headings and Poppins Light for body copy.

Acceptable web and secondary fonts are Roboto and Open Sans.

All three fonts are available across G-Suite and for free download on FontSquirrel.com.

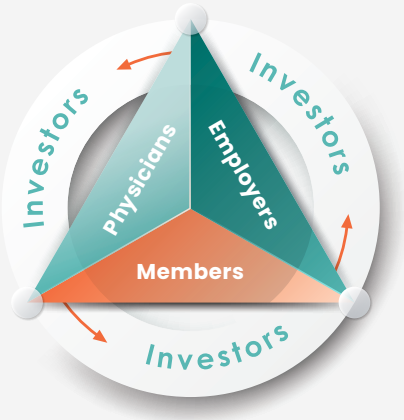
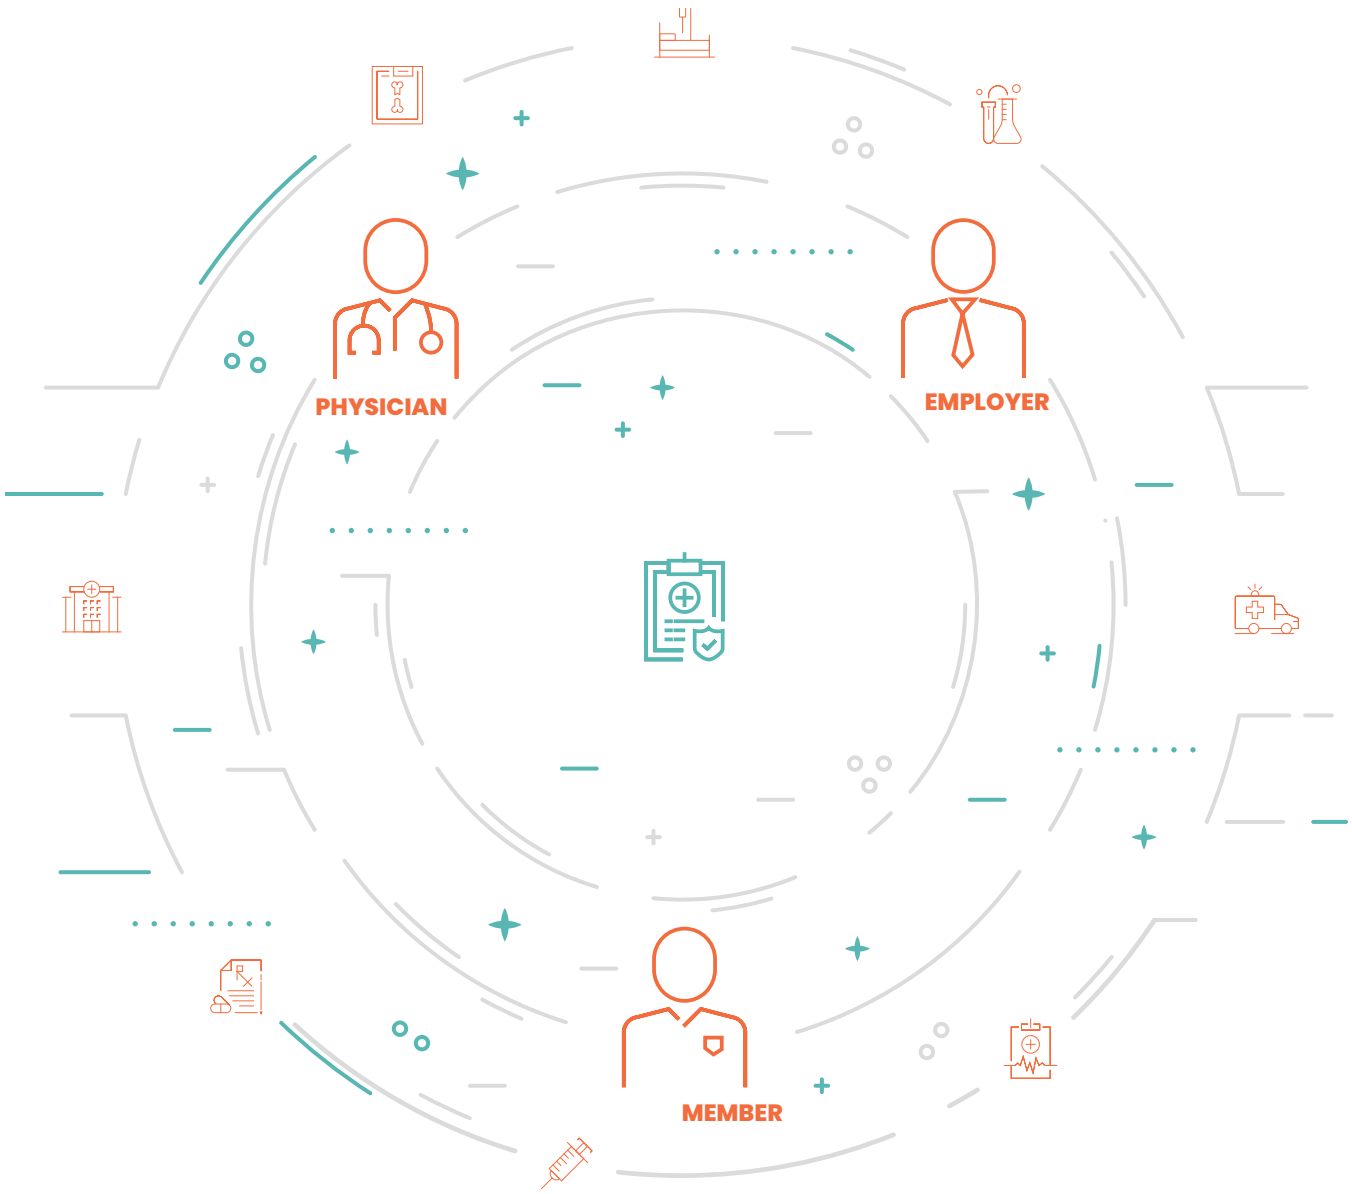
IMAGERY
PHYSICIAN

Choose icons and artwork that represent innovation, efficiency and trust.

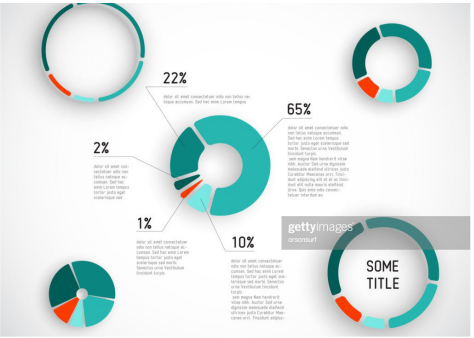




IMAGERY

EMPLOYER

Images showcasing healthy, productive employees will appeal to employers and emphasize both the workplace and lifestyle benefits of the Vxtra partnership



IMAGERY MEMBER

Images should highlight the physician patient relationship with secondary imagery showcasing healthy outcomes. Utilizing vibrant colors from our brand color palette will help solidify the brand connection.

ICON MARK

Icons should reflect a clean, modern look of Vxtra Health's branding. Icons can appear in a solid form or line icons depending on usage.

SOLID ICONS

LINE ICONS

CORPORATE BRAND IDENTITY

This includes the business card, letterhead, envelope and folder. The folder will have a slot inside for the business card.
